

## Minutes of the Brownington Parent's Club

1. The Parent's Club Meeting was called to order at 5pm on January 19, 2017 at the Brownington Central School. Present was Larry Fliegelman, Melissa Hinton, Debbie Brunelle, Renee Martinez, Brandy Robillard, Jennifer Locke, Zach Robillard, Heather Moulton, Malisha Montimony, Morgan LaClair and Danielle Blanco.
2. Larry started off the meeting with the meeting agenda. What was going to be our next few fund raising ideas and that we should start back on work towards getting the new playground equipment.
3. Brandy brought up that before we go forward with the playground that we should decide if the PTC group is being run under the school or if we should really be applying for the 501C, to get our own non-profit organization status. With that it was discussed about what bank accounts belong only to the PTC and what accounts belong to the school. Larry was going to look into how many accounts the PTC had, for it was thought that the PTC may have two? It was agreed that the bank statement should be available ever meeting and that what money was raised at every event be posted on the PTC tab of the School website.
4. Morgan stated that she would check with Barton Graded School on what grant they got, that matched the school money for the playground equipment.
5. Renee motioned that we donate all the left over soda and juices to the Basketball Tournament being held on Feb 11, 2017. All were in favor.
